

Student Web Resources

This document contains the links and URLs for the five Student Online Stories, the Student Web Poem, and the Student Web Lesson associated with this unit. The Online Stories and Online Poem are also available from the Beacon Learning Center site by selecting the Student Resources or Teacher Resources and selecting Books Online. The Student Web Lesson is also available from the Student or Teacher Resources pages by selecting Student Web Lessons and typing “Coins for Candy” in the search. Be sure to select “Title” in the Search Method drop-down box and “Mathematics” from the subject box.
