

A Counting We Will Go Unit Plan Overview

Day 1

Diagnostic Assessment

Day 2

Lesson Plan

M & M Counting Fun!

Students count up to 10 or more M&Ms using verbal names and one-to-one correspondence, and use sets of M&Ms to represent quantities given in verbal form.

Day 3

Lesson Plan

We're Counting at the Zoo!

Students count up to ten objects in a group to find out how many, read and write numbers to ten, and use sets of zoo animals to represent quantities to ten.

Day 4

Lesson Plan

Here Kitty, Kitty!

Students count up to ten objects in a group to find out how many.

Day 5

Lesson Plan

Fish Count!

Students count up to ten objects in a group to find out how many, read and write numbers to ten, use sets of fish counters to represent quantities to ten, and dictate or write about how many fish are in a set.

Day 6

Lesson Plan

Gummy Candy Count!

Students count up to 10 objects in a group to find out how many.

Day 7

Assessment

Summative Assessment

A Counting We Will Go!
