# **Sky High Counting Formative Assessment Checklist Instructions**

**Type of Assessment:**

Constructed Response

**Duration:**

Daily throughout the unit

**Standards Assessed:**

**Description of Assessment Activity:**

Formative assessment activities, both oral and written, are integrated throughout each day's activities for this unit. As the formative assessments are administered, the Formative Assessment Checklist will be marked as described on the key.

**Teacher Directions:**

Use the key at the top of the checklist to score student's formative assessments as described in the activities of the lesson plans. This checklist is then used for identifying students who need further teaching and practice on the various standards.

**Scoring Method and Criteria:**

A scoring guide is provided at the top of the Formative Assessment Checklist.

Student name \_\_\_\_\_

## Sky High Counting Formative Assessment Checklist

Key: Satisfactory Understanding + Needs Improvement –  
Formatively assess students many times for each standard to assure understanding.

Standard	One Sun, One Moon	Two Owl Eyes	Three Bears and Goats	Four Animal Legs at Sunset	Five Fingers Eating Lunch	Six Insects Watch the Sun	Seven Quacks Me Up	Eight Stars in the Night Sky	Nine in the Sky	Ten Fingers Ten Toes
