## Assessment Records

### Instructions

This form is used for record keeping purposes and for inclusion in student portfolios. This form is used to document a preponderance of evidence for student achievement of these specific Standards.

Upon completion of the diagnostic and each summative assessment, date and record the indication of students' mastery as shown in the key. If reassessment is needed to document mastery, use the final box.

Name \_\_\_\_\_

## Assessment Records

Score as # correct / # attempted (4/5)

Key : Mastery +      Needs Improvement –

All entries must be dated. Mastery is established as 80% correct.

Standard	Diagnostic	Summative	Summative	Reassess
