

Andrew visits Grandma on the phone.

It cheers her up when she's all alone.

A tractor is what
Anthony will ride,

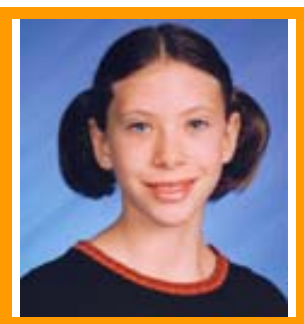

Across the farm
to Grandma's
side.

A boat is what
Jason and Bill will take,

To visit their grandma
across the lake.

Shelby's grandma
is an astronaut in space.

She'd need a shuttle
To visit that place.

Megan goes
To her grandma's, too.
She rides down the river
in a canoe.
