In Days of Old (0 - 2000) Timeline #2

This timeline shows the period of time between 0 A.D. and 2000 A.D. The reference to B.C. and A.D. should be discussed, as this is how most timelines they will encounter are labeled. The large shaded area shows the Middle Ages. The small shaded area shows the time period we are focusing on for this unit. The purpose of this timeline is to aid the students in developing reference points.

Timeline #3

This timeline has references to both Christopher Columbus and today.
