

SAMPLE CHECKLIST FOR GROUP #1

Assignment: Create a county map showing the school zones for all middle schools in Whatever County.

	Get folder labeled Group #1
	Check inventory list to ensure that you have all the information
	As a group, decide how you will develop your map
	Assign different tasks for each student
	Go over the information in your folder (Is there enough information to complete your project? If not, where can you get the information you need?)
	Make sure you color code each zone and provide a legend for each school
	Indicate the number of students in each zone
	Make all text clear and legible
	Clearly mark all boundaries with black
	Decide what information each group member will present to the class
	Present you project to the class
	Lead class discussion about your project
