for a positive word

• verbal cue

♥ non-violent word

■ for a negative word

☺ non-verbal cue

violent word

List some possible conflicts that can occur at school for a young person.

With friends of the same sex

With friends of an opposite sex

With other students

With an adult (teacher, administrator)

List some emotions, non-verbal cues, and actions that can lead to a conflict.

List some other ways you can misunderstand a situation.

Role-Playing Sheet

Setting:

Conflict:

People involved (no more than in a group):

Non-verbal cues to use:

Positive behaviors to include:

Negative behaviors to include:

Peer Review Form

What was the main conflict?

What were any outside influences involved?

List some verbal cues given. Were they positive or negative factors in the conflict?

List some non-verbal cues. Were they positive or negative factors in the conflict?

List any positive behaviors you saw during the conflict.

How was the conflict resolved? Could it have been resolved differently? Were there any negative behaviors in the resolution? If so, how could they be changed to a positive behavior?

Discussion Prompts

(1.) What was the conflict that caused the fight at the beginning of the video?

(2.) What are the circumstances that start to unfold, during Peer Mediation?

(3.) Was there actually a problem for the conflict to have occurred?

(4.) How did the “outside” influences create and escalate the conflict?

(5.) How could the conflict have been avoided?

(6.) What do you think of Peer Mediation? Did it help in the resolution of the conflict?
