

## Questions Atomic War

1. What two Japanese cities were destroyed by atomic bombs in 1945?
2. What does unconditional surrender mean?
3. What city suffered the most people killed?
4. What was the name of the plane that dropped the bomb on Hiroshima?  
Nagasaki?
5. Why did the U.S. choose these two cities to bomb?

## **Answer key**

1. Hiroshima, Nagasaki
2. To surrender without any say in how the peace will be secured.
3. Hiroshima
4. Enola Gat, Bock's Car
5. These two cities were chosen because they had not suffered significant damage from other bombings. The effects of the atomic bombings needed to be studied by scientists.
