

## Instructions for Centers (Seminoles)

### **Center 1** **Seminoles**

1. Write your name on the paper that has the chickee on it.
2. Color the chickee and add some plants.
3. Cut out the box at the bottom of the chickee.
4. Color the alligator and snake on the wheel.
5. Cut out the wheel.
6. Use a paper fastener and punch a hole where the X is on the chickee.
7. Use the paper fastener and punch a hole in the circle in the center of the wheel.
8. Put the wheel behind the chickee paper.
9. Put the paper fastener through the X on the chickee paper and through the circle in the center of the wheel.
10. Open the paper fastener. Be careful. Don't cut your finger!
11. Now turn the wheel and see what kinds of animals lived near the Seminoles.

## **Center 2**

### **Seminoles**

1. Write your name on a piece of brown paper.
2. Think about the wildlife that lived in this region.
3. Decide what you want to paint.
4. Use a pencil and lightly draw your picture.
5. Now use paints to paint your picture.
6. When finished, carefully move your painting to the newspaper so it can dry.

## **Center 3**

### **Seminoles**

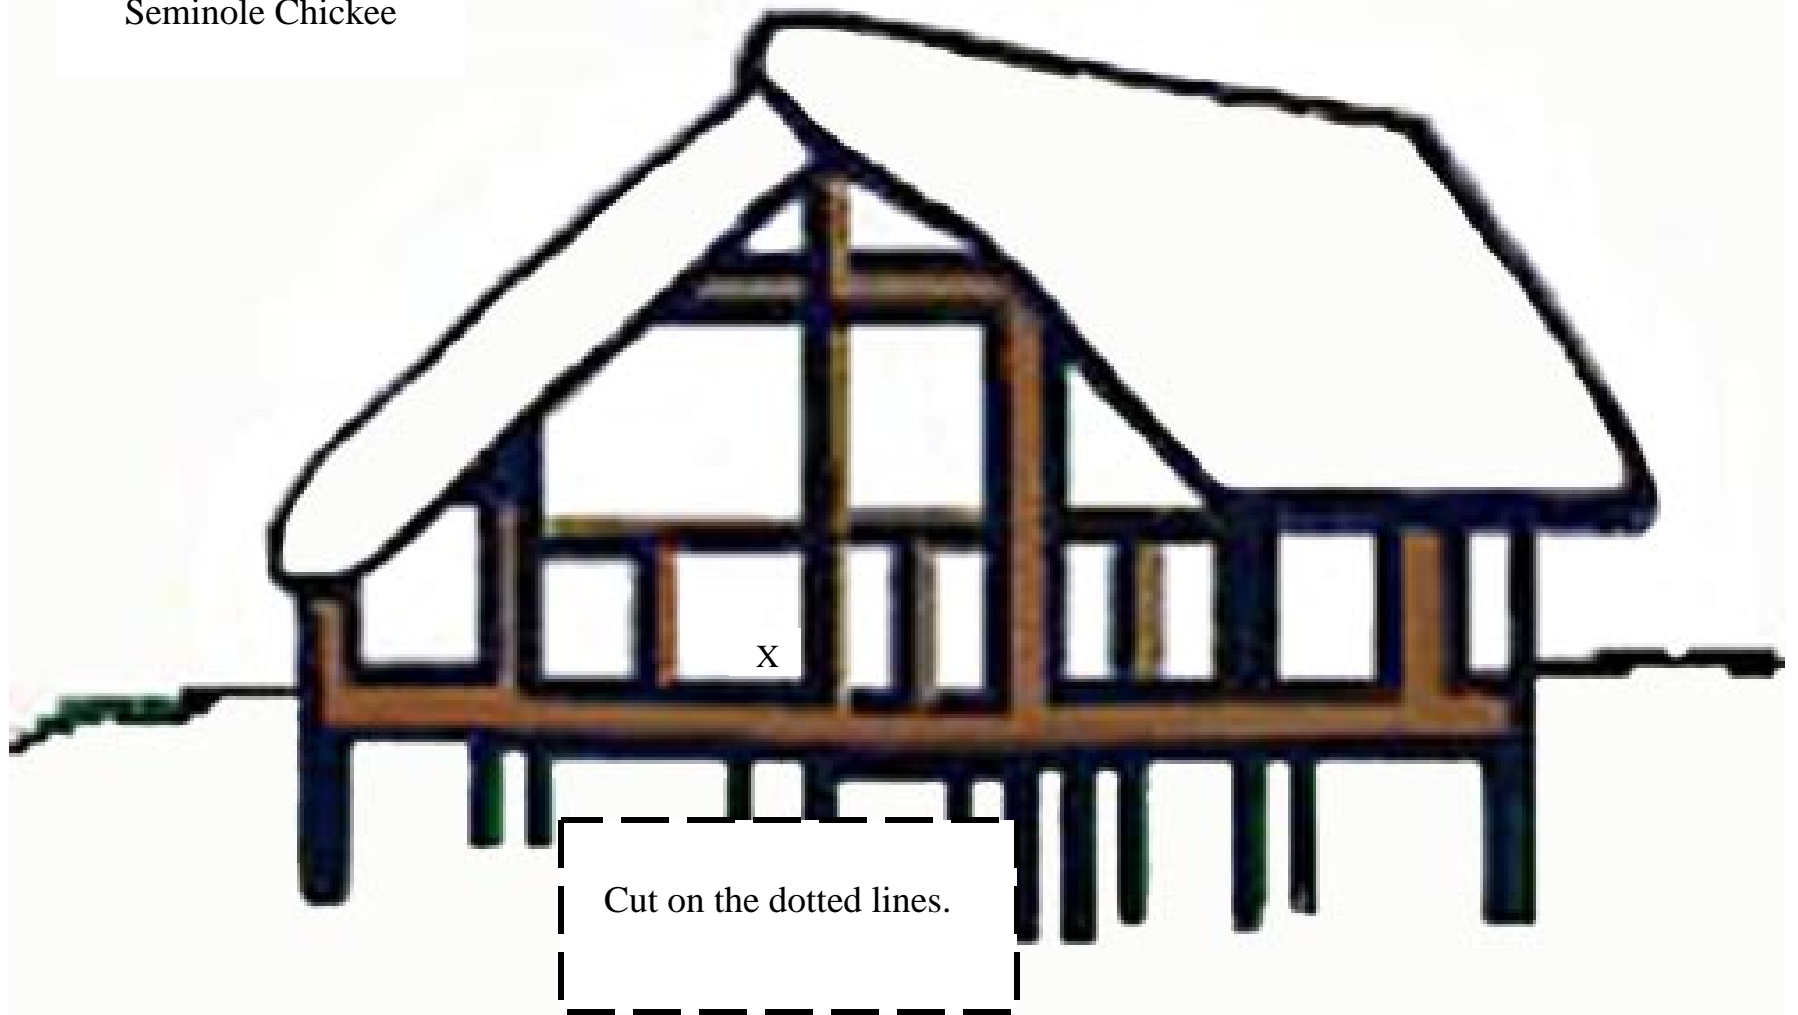

1. Sit in a chair at the center.
2. Put on your headphones.
3. Listen to the tape and look at the pictures in the book.
4. Try to learn at least two facts about the Seminoles.
5. When the tape is finished, get a piece of paper.
6. Write your name on your paper.
7. Write the two facts you have learned about the Seminoles.
8. Put your paper in the box on the table.

## **Center 4**

### **Seminoles**

1. Use the class map to help you.
2. Open your map booklet to Activity Sheet 5.
3. Write the name of today's region on the space at the top.
4. Look at your map symbols.
5. Color the symbols for the Southeast Woodlands.
6. Cut out the symbols for the Southeast Woodlands.
7. Glue them in the three boxes in the middle of the page.
8. Write one of the facts under "Fact".
9. Finish the "And so" part.
