The Future is Ours...So Now What?

1. A girl in the video says, "I feel like adults today take teenagers for granted, that they think we don't work and don't contribute." Do you agree with this statement? Why or why not? Name some things that you have done that show that you DO contribute to society.

- 2. Name some things that you love to do.
- 3. Name something that you did for someone. How did it make that person feel? How did it make you feel?
- 4. Some of the kids in the video helped to educate people about dumping things down storm drains because it pollutes the ocean. They were concerned about the issue of pollution. What is an issue that concerns you in your own community? How can you make a difference with this issue?

Issues in My Community

- 1. What were the three areas of concern that your group identified within our community?
- 2. Which issue is most important to you? Why?
- 3. List at least two things that you can do to help solve the problem.

4. What will happen if no one, including you, does anything about this problem?
