LEWIS AND CLARK TRAIL CHECKLIST

1. Why did you pick that point as one of your points of interest?
2. Why do you think they used the river so frequently?
3. What are the names of the rivers they traveled on?
4. What are the current states they traveled through?
5. What is the name of the mountain range they crossed?
6. What ocean were they trying to get to?
7. What is the highest/lowest elevation of the trail?
