### **Textbook Evaluation**

1. What is the title, copyright and grade level of the history book you are evaluating?
2. Read the Table of Contents and list the titles of chapters that seem to have information pertaining to African Americans.
3. List any other chapters that may have other information pertaining to African Americans.
4. Work with your group to figure out what PERCENTAGE of the book has information on African American history.
5. Discuss with your group whether or not you feel that this textbook has adequately addressed the topic of African American history.
6. How does this exercise relate to the events in the novel, *Roll of Thunder Hear My Cry*, that lead to Mrs. Logan's dismissal? How would she feel about the textbook that you have just evaluated?
