

Visuals for Lesson One, I Hate My Sibling Preface and Chapter One

Visuals are a great way to pique student interest. Below are just some ideas of things you can gather for display in the front of the room. It is suggested that the items be displayed when students come into the room. Since ideas will be generated for each lesson, it may be helpful to enlist student helpers, paraprofessionals, or parent volunteers to change the display.

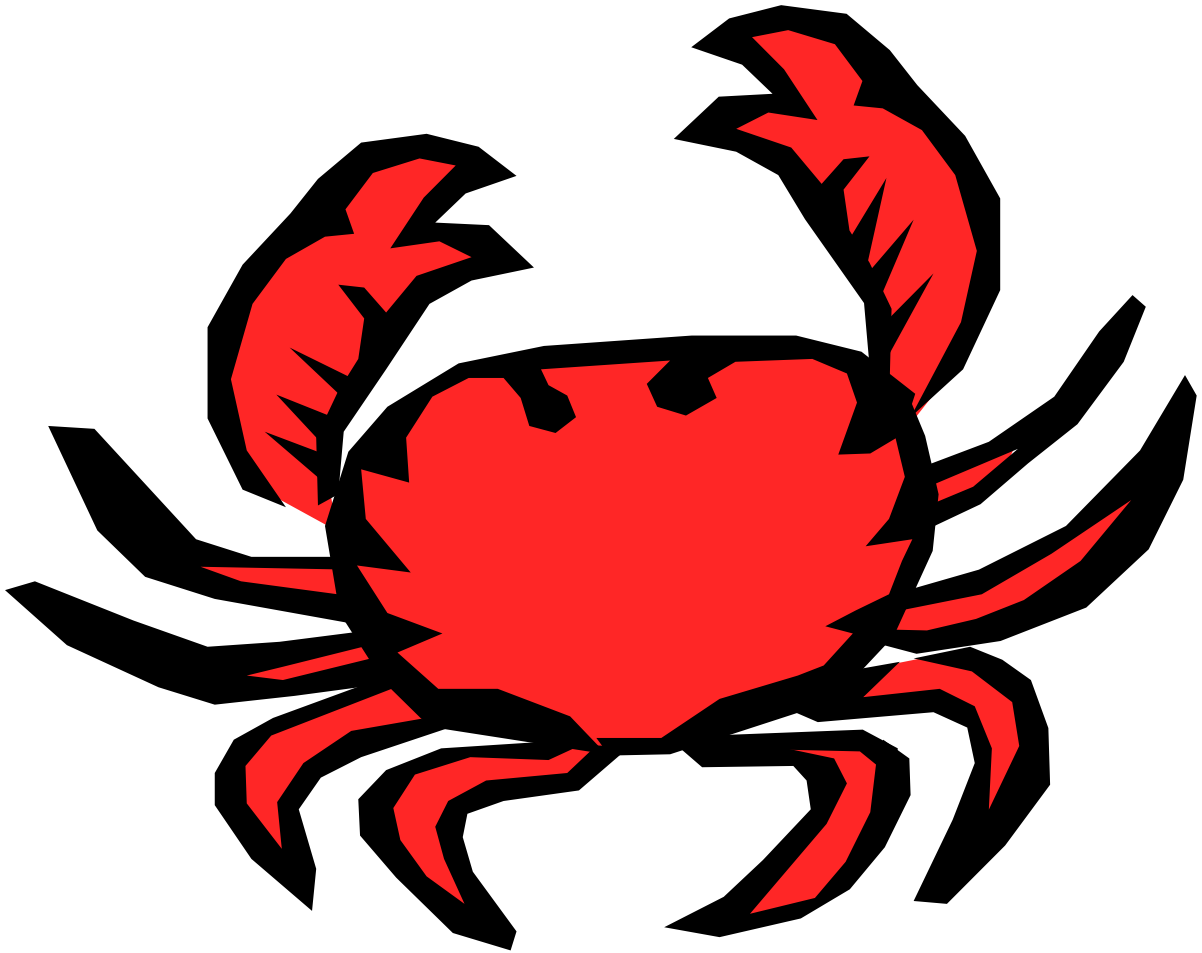

Preface/Chapter One

Display a net with the following items in it, on it, or near it-

- Picture of a skiff- use the link to obtain pictures
 - <http://www.innerbayboats.com/new/index.php>
- Picture of a terrapin- (provided)
- Picture of crab (provided or use plastic replica)
- Silver bucket
- Newspaper

Terrapin

Crab
