

M & M Candy I Want Green Worksheet

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Directions: Record the results of your data collection in the table below.

<u>Experimental Probability</u>	<u>Mathematical Expectation</u>
red	
green	
orange	
blue	
brown	
yellow	

Compare the experimental probability with the mathematical expectation for the green candy. Explain on the lines below a reason why these numbers might be different. Be prepared to share your results with the class.
