

The Color Wheel

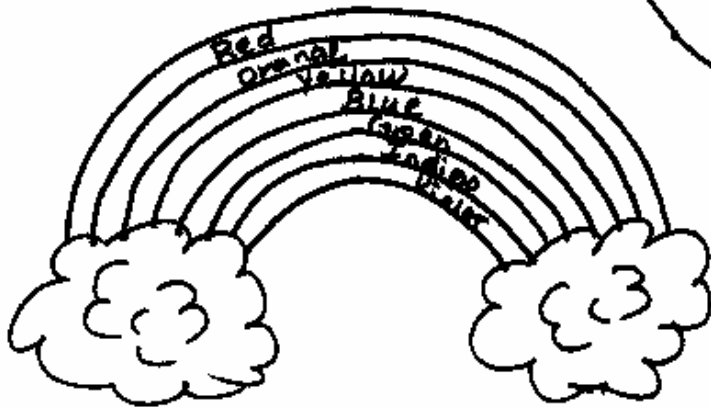

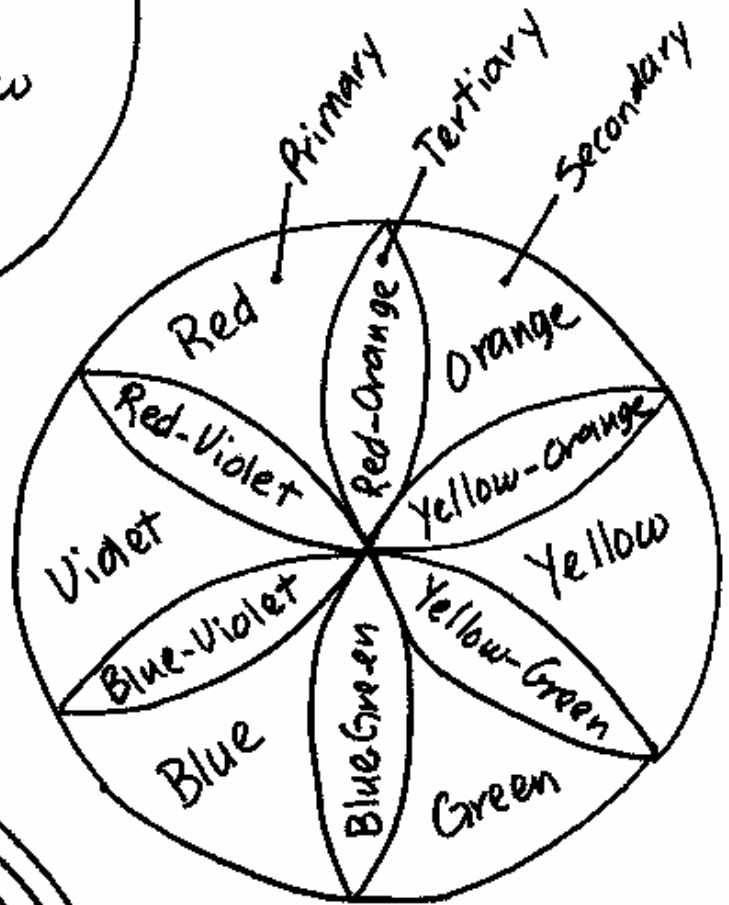

The Rainbow

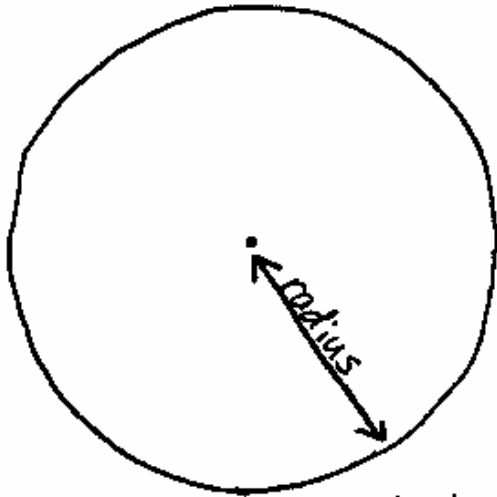

Correct Color Order

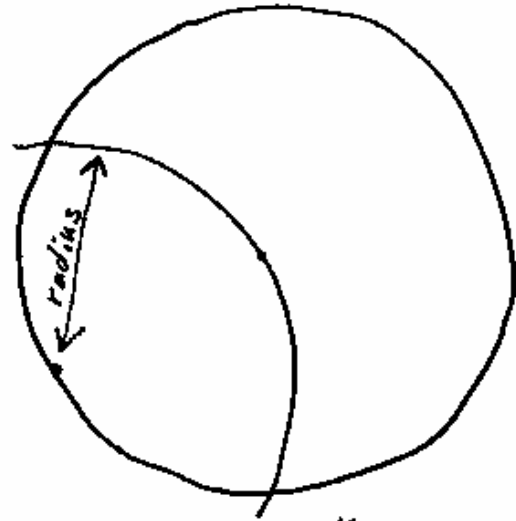

Complementary Colors
 are opposite each other on the color wheel:
 Red + Green
 Blue + Orange
 Violet + Yellow

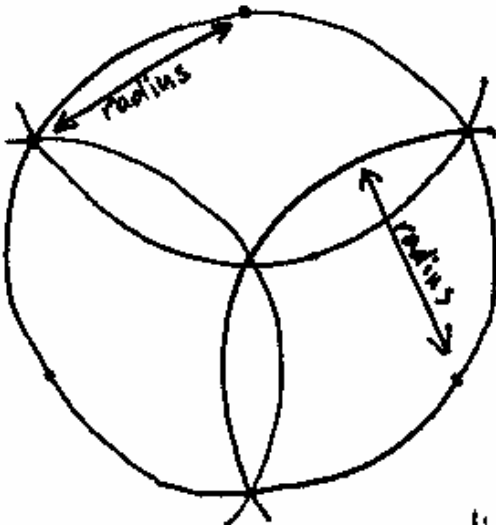

How to Draw a Color Wheel with a Compass

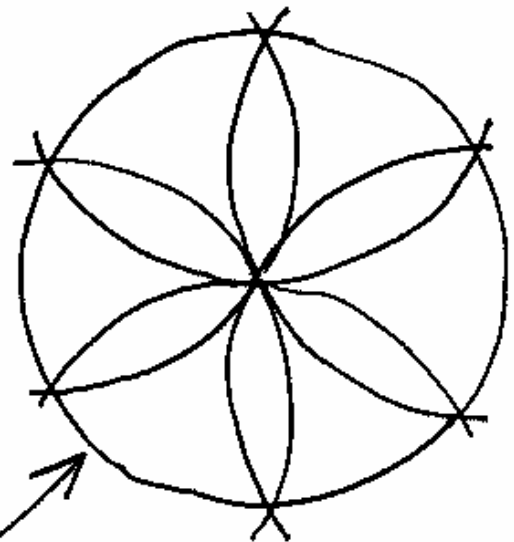

Step 1 - Draw a circle of any size.

Step 2 - Leave the compass set at the same radius and draw an arc

Step 3 - The same radius will mark off 6 equal points on the edge of the circle. Make an arc at every other one to produce the simple color wheel. Make an arc at every mark for a more complex color wheel.
