

Name _____ Date _____

In the following sentences, circle the words that are singular nouns and underline the words that are plural.

1. The dog was chasing the two cats around the chairs in the living room.
2. A cat jumped through an open window to be outside and play in the flowers.
3. The other cat ran upstairs and hid underneath the covers on the bed where the dog could not see her.
4. The dog went out to the backyard to dig up the bones that he buried yesterday.

Using what you already know about plural words, complete the table. I have done the first two already.
