

What's my total?  
Rubric

Student name \_\_\_\_\_

Date \_\_\_\_\_

Use a check mark to indicate whether or not the student was able to complete each task.

1. \_\_\_ student showed his/her math calculations (step by step).
2. \_\_\_ showed each item's cost
3. \_\_\_ included 7% sales tax on meal (if a meal was purchased).
4. \_\_\_ Included gratuity or gave explanation why tip was not given (if meal was purchased).

Comments to student:

\*If any items aren't checked off, please redo the assignment and give it back to the teacher.

What's my total?  
Rubric for student teacher

Please place a check mark by each correctly completed task.

1. \_\_\_ student spoke loudly and clearly.
2. \_\_\_ student gave a detailed demonstration on how to calculate tax and figure out tip.
3. \_\_\_ followed the procedures in the lesson plan.
4. \_\_\_ attempted to answer questions raised by the student and asked the teacher if unable to answer a question

teacher comments:

If a task wasn't completed, please see the teacher to find out what you can do to complete the task.
