

# Sample Graph

## How I Get To School

bus	Bob	Bill	Joe	Jane	Mary	Bobby	Mitch		
car	Carson	Shelby							
walk	Jason	Leah	Abbie	Sue					
boat									
bike	Katie	Julie	Vern	Chip	Eddie				
jog	Nole								
	1	2	3	4	5	6	7	8	9

Remember that all the words are first presented on the graph, but then only the words that had an entry on the graph remain on the graph, except for the one example of no entry. This is a sample of a possible graph that may be generated.

## Bulletin Board Showing Speed Sample

									Continue until all vocabulary have been added in a logical sequence.
walk	jog	skate	vaporetto	horse/buggy	bike	car	bus	trolley
