Base Ten Activity

Name_____________________________               Date__________________________

Draw a model to show the value of each fraction or decimal. Compare your models. Are the fractions and decimals equivalent? Write YES or NO.

Equivalent?

1. .75    2. 75/100

3. 25/100  4. .25

5. .20    6. 20/100

7. 50/100  8. .50

9. .33    10. 33/100
