

# Instruction - Lesson Plan Checklist

		<b>Acceptable</b>
		<b>Peer</b>
<b>Description</b>		The description of the lesson plan clearly states what students are expected to do.
<b>Procedures</b>		The lesson plan provides clear, step-by-step procedures for teachers that are appropriate to the learner level and support achievement of the selected standard(s).
		Learning experiences balance teacher input with student engagement.
		As appropriate, procedures gain attention, present objectives, relate to present knowledge, engage students meaningfully, provide for practice, and provide feedback.
		Assessment criteria are shared with students early in the learning process.
		Lower and higher levels of thinking are used.
<b>Preparations</b>		The lesson plan lists the steps needed to prepare for the lesson.
<b>Duration</b>		The time required to implement the lesson is warranted.
<b>Materials</b>		The lesson plan lists necessary materials. Required materials are realistic. Bibliographic information is included for all references (MLA format).
