DIRECTIONS: Using the resources your teacher has provided, COMPLETE the timeline. LABEL the date, the event, and the important people. Then briefly EXPLAIN why the date is important.

1824 1825 1839 1846 1891 1902 1923 1835 1947 1872 1877

LIST one or two questions from the class T-chart that are guiding your research.
1. _______________________________________________________
2. _______________________________________________________

FOCUS QUESTIONS...
1. NAME three important things in Florida that led to its development as a state.
2. EXPLAIN how these developments influenced changes in the capital.
3. LIST different groups of people that helped with Florida’s development.
4. EXPLAIN in a sentence or two how they helped.

What else did you find out?
- About politics — Who and how were decisions made?
- About economics — How much did the capital cost and who paid for it?
- About social happenings — How was Florida changing for the people?

You should also be ready to answer this question...
Why was Tallahassee chosen for the capital city of Florida?
