

*Blue*

*Blue is the color of cold.*

*It is the sky at noon*

*And how you feel when you're old.*

*Blue is lonely.*

*Blue is sad.*

*Blue is the color of my dreams*

*When you are not here.*

*Blue wakes me up in the middle of the night.*

*Blue is icy, frozen, tight.*

*Some birds are blue,*

*And flowers too.*

*Blue is in a rainbow.*

*Blue is dew.*
